

CHAPTER 1

OBJECTIVES AND SERVICES

Objectives

It shall be the purpose of the Montauk Library:

To serve the community as a center for culture, information, education, enrichment, intellectual development and recreation.

To provide library service to every qualified member of the community.

To identify and strive to fulfill community needs within the scope of library service.

Services

In order to carry out the stated purposes of the Montauk Library, the Library shall undertake to render the following services:

To assemble and manage the necessary books and other materials.

To schedule library hours in such a way as to best serve the community.

To maintain relationship with Suffolk Cooperative Library System and other libraries to provide broader library resources for borrowers.

To cooperate with other community groups and organizations.

To place special emphasis on areas especially relevant to and needed by the community.
