ARCHIVAL MATERIAL DIGITAL REPRODUCTION POLICY

Digital Formats and Selections

The Montauk Library provides digital reproductions from the Montauk Library's archival collection upon request. Requests are made by submitting the Library's Digital Reproduction Request Form to Library Director or Librarian. Digital reproductions may be provided in JPEG, PDF, or TIFF format and delivered through email, Google or Dropbox. The Montauk Library strives to provide the highest digital resolution, however, in some cases this may be limited.

The Library reserves the right to deny or limit reproduction requests.
