

## WHO ARE WE?

- ❖ We are a non-profit volunteer organization that supports and advocates for our Library.
- ❖ We raise funds to help pay for resources and materials not covered by the Library's annual operating budget. We do this through book sales and other events.
- ❖ We raise funds to help pay for cultural programs and sponsor our own programs at the Library.
- ❖ We provide an inexpensive resource for books in the community through our book shop, book sales, free with donation shelf and our free Little Libraries.
- ❖ We meet on the first Thursday of every month at 10:00 AM. Zoom participation is possible. All are welcome.

The photo on the cover is our Friends quilt, made in the 1980s by a group of members. Each square represents an aspect of Montauk. It has always been on view in the Montauk Library.
