

Montauk Library Bird Club — October 2025 Newsletter

Montauk Library Bird Club walk at Shadmoor State Park on September 21, 2025 in partnership with South Fork Natural History Museum.

News

- This month, we've invited Jennifer Skilbred, Assistant Director of Environmental Education of the **Group for the East End**, to present on ospeys. Learn about the history of the osprey on Long Island, their nesting behavior and favored habitats, threats, and the Group for the East End's conservation programs that protect our local populations. The event will be held at the library on Wednesday, October 22, at 6 pm. [Sign up online here.](#)
 - Volunteers from the **East Hampton Trails Preservation Society** cleaned up the trail leading from the library parking lot to the Paumanok Path. Birders are welcome to explore the trail and add to our ongoing list of species seen at and around the library. Pick up a [Birds of Montauk checklist](#) in the library's local history center.
 - Save the date! On November 22, Ryan Goldberg, author of *Bird City: Adventures in New York City's Urban Wilds*, will visit the library for a reading, conversation, and book signing. [Click here for more info.](#)
