

Library Card Eligibility

Residents

Montauk Union Free School District property owners and their children are eligible for a resident library card upon presenting proof of ownership. Resident cards remain active for five years and are renewable with updated ID.

Year-round renters are eligible for a resident library card for the length of their rental agreement upon presenting the required documentation.

Visitors

Visitors staying in the Montauk Union Free School District for a **minimum of one month** may obtain a short-term visitor library card upon presenting the proof of stay required documentation (lease, rental agreement, etc.).

Short term visitor cards are valid for local use only, **limited to one adult per family** and expire on the documentation's stated visit end date or three months from issuance, whichever comes first. Short-term visitor library cards may only be used to borrow general collection items including general collection books, magazines, CDs and DVDs. Any outstanding fees will prevent a patron from obtaining a visitor card for future visits.
